

Washington, D. C. 20505

15 November 1976

NOTE FOR: General Counsel

SUBJECT : EAG Task Force on Regulations
and Guidance to Employees

Tony:

As you requested, the interim report of your task force is postponed until mid-December. I know you have been particularly swamped during the past month and I am sympathetic. However, due to the importance of this topic to our ability to function within the new guidelines, I want to hold firm on this revised reporting date.

E. H. Knoche

cc: Comptroller
